Hunts may be arranged around your schedule, however, a typical hunt begins the first day at 1 pm ending at 11:00 am on the third day which encompasses four hunt outings; two morning and two evening hunts.

## TROPHY EXPERIENCE

Our philosophy is that to truly experience the **old South Texas Hunting Camp Trophy Experience** you should not have any incidental expenses, so our rates are All-Inclusive.

Included in your hunting package is a 3 bedroom, 2 bath ranch house that sleeps 6 comfortably with a full kitchen, fire ring and BBQ pit for meals you prepare. If you wish, meals can be easily catered in. ***We strive for hunters to get the maximum Trophy Experience by offering modest accommodations at no cost.***

## OUR PLEDGE

Hunting is serious business. It is also possibly your vacation get away time to enjoy the outdoors. Realizing both of these factors, we will work hard to provide you with a relaxing and rewarding hunting experience.

Gratuities are not necessary. But If you wish to tip as a group you may do so or if you wish to tip a certain individual please note this on your tip given to your hunt manager.

## TAXIDERMY & PROCESSING

Field dressing and quartering your game (hams, shoulders & backstraps) will be done by the guides. We have a large walk-in cooler to keep your game in during your stay. Hunters must provide ice chests for transporting meat. If you wish to donate the meat, we have several charities locally.

## WHAT TO BRING

Hunting License, snake boots or wrap-arounds, gloves, face mask, light and heavy coat. **An 8-10X power lens attachment for your phone camera or binoculars is very beneficial.**

**Deposit:** \$500 per hunter to hold a booked date. Deposit will be credited toward a harvest or may be refundable or transferable by Kinsel Cattle Company if you don't get a reasonable harvest opportunity.

**Balance:** All hunters will pay anticipated hunting package balance prior to the first outing. A hunter will be refunded his balance fee if he or she does not harvest or wound an animal per Kinsel Cattle Company.

**Wounded Game:** If at the discretion of the guide a hunter wounds a deer it may be considered a kill whereas the harvest fee of the estimated B&C score per the guide will apply. Retrieval efforts on foot or horseback will be attempted. Fortunately, a couple of the best deer trailing dog handlers are within one hour of the ranch and the hunter may request their services at the hunter's expense.

Kinsel Cattle Company reserves the right for the guide to disallow the harvest of any particular animal(s) and to cancel any hunt at any time.
